

1. The specimen of the product for assessment and certification of the type was applied on 30.11.2007.
2. The Certificate was issued on the basis of documents of the customer – Appliance for certification of 30.11.2007.
3. The manufacturer is holder of the certificate ČSN EN ISO 9001:2001 issued by TÜV SÜD Czech registration number 1982-1.of 27.9.2007, number of Audit report 0293/70/07/QM/AZ/C
4. Detailed technical data characterizing the type/model of the product.

Wheel track:	1435 mm
Outline (static)	ČSN 28 0312
Maximum width:	2600 mm
Maximum height:	2600 mm
Length along the buffers:	7240 mm
Vehicle fronts:	6000 mm
Total weight:	22 t
Continuous output of traction motor:	37kW
Output of the electrodynamic brake:	50 kW

5. List of the essential parts of the technical documentation :
 - railway tractor –assembly drawing „ Railway tractor 37 kW“, drawing scale 1:20;
 - railway tractor position of elements;
 - Certificate of quality number 65/04/8332 – big screw coupling of 8.12.2004, issued by Krnovské opravny a strojirny;
 - Report concerning the acceptance number 232/2004 according to ČSN EN 10204-3.2 for the buffers 37 and 38 issued by Krnovské opravny a strojirny;
 - Report concerning the acceptance number 245/2004 according to ČSN EN 10204-3.2 for draw bar hook with drawn eye and screw coupling 850kN, issued by Krnovské opravny a strojirny;
 - document „intervals for regular checks of the railway tractor KT 37D“, 3 pages;
 - documentation of evaluation of risks;
 - outset of el. documentation „ELCOM EA-27223610 00000C rev.: 0; 07-09-07 – see list instructions for operation, attendance and maintenance of the railway tractor KT 37D“ of January 2008, pages 1 until 28.
6. Conditions for validity
 - The Certificate is valid only for its holder and for products and production places therein quoted.
 - The transmission of this Certificate by its holder to third parties is inadmissible as well as its using by third parties.
 - Modifications of the product against the certified execution should be immediately announced to SÜD Czech. This circumstance can make a further continuation of the Certificate dependent on an additional assessment of conformity.
 - TÜV SÜD Czech performs the supervision over the regular functioning of the quality system of the manufacturer on the basis of the concluded contract for inspection once yearly.
 - This Certificate can be applied 5 years from date of issue and can be renewed on demand.
 - This Certificate shall only be reproduced as a whole, including all annexes.
 - The right to use the mark TÜV SÜD Czech was not established to this Certificate.
 - The certificate holder undertakes to keep files about all possible complaints concerning the conformity of the product with the requirements of specifications and standards and to release these files to the Certification Body TÜV SÜD Czech.
 - The not mentioned details (advertising, using of trademarks and certificates) are regulated by The General conditions for product certification in the valid version.

This certificate registration number 509/07/07/02/0 does not apply for the assessment according to the Law 266/1994 Sb. and for specifications and standards concerning the railway operations.
